

Crafty Activity

Ask Us how I can host a Share your Sparkle craft activity

Whether you're making your Share your Sparkle crafty decorations at home, in a group, at a club, at school or in a unit, use our ideas below and organise your own craft afternoon with a donation to take part. Or sell your decorations afterwards to friends and family. Why not turn it into a competition and see who can have the sparkliest unit?

- **Homemade Christmas cards** - Digital or on paper, design your own Christmas card.
- **Decorate a bauble** - Get a blank bauble and decorate it with pens, glitter and paint.
- **Make your own Christmas paper tree**
- **Decorate a Share your Sparkle Star** - Download, print and cut out and decorate our Share your Sparkle star.
- **Advent Calendar** - Get a blank piece of paper. Cut out 24 rectangles strips, fold in half and stick on your blank piece of paper. Write a message or picture inside each one and blue tac to fold shut.
- **Christmas candle** - Get a blank jar and decorate. Place your candle inside.
- **Gift tags** - Use leftover Christmas cards and cut out the images with crinkle scissors. Holepunch at the top of the image and tie string through.
- **Homemade Snowman** - Use cotton wool to make the body and head of your snowman. Stick on googly eyes. Use lollypop stick to make the arms.
