

## Sparkly Fundraising Ideas

### Ask Us how I can Share My Sparkle

There are many ways you can Share Your Sparkle this winter, check out our fundraising ideas below:

#### Share Your Sparkle by...

- **Wearing something Sparkly** – Whether it's a sparkly dress, festive jumper or elf outfit, get sponsored to wear something sparkly for the day. Or why not turn it into a challenge and see if you can wear a different sparkly outfit throughout the month of December.
- **Decorating your house or desk** – Set up a JustGiving page and get sponsored to decorate your house with sparkly festive lights. Or have a competition at work with a donation to take part, as to who can decorate their desk with the most sparkly, festive items.
- **Organising a craft afternoon** – For a donation, invite friends and family over and make your own sparkly decorations, baubles, cards or crackers. Turn it into a competition as to who can design the best bauble and sell your creations after to raise extra money.
- **Baking** – Whether you buy it or bake it, organise a festive bake off at work, or with friends and family and sell your sparkly bakes. Turn into a competition and for a donation see if your friends can tell their mince pies apart from different supermarkets they were bought from. Or buy plain cakes and gingerbread and organise a decorating contest.
- **Organising a festive film night** – Invite your friends and family over and for a donation watch a sparkly festive film together. Raise extra money by creating a festive film quiz and test your guests film knowledge!
- **Gift wrapping** – Grab your best sparkly bows, ribbons and wrapping paper and for a donation offer to wrap your friends and families gifts for them.
- **Being a helpful elf** – Either auction or ask your friends for a donation to help with jobs, tasks and chores over the festive season.
- **Taking part in a sponsored activity** – Whether it's giving something up for the month of December, or organising a sparkly, winter walk or Santa Run, organise your own sporting activity.
- **Recycling Christmas trees** – Offer to recycle your neighbours Christmas trees for a donation.
- **Decorating wreaths** – For a donation, why not decorate your friends and families' wreaths with sparkly bits and bobs.
